

# Is Your PSHE/RSHE Programme Making a Difference?

**1decision is now offering a FREE subscription service, driven by innovative and cutting-edge software, to help schools close personal development gaps for children—without impacting their budget.**

The fully funded subscription offers unparalleled support with a comprehensive collection of resources, providing schools with insightful data on pupil development and enhancing PSHE planning.

It's designed to highlight PSHE successes and identify areas for improvement, seamlessly integrating with any PSHE resources you currently use. Helping you to reach the best outcomes for children.

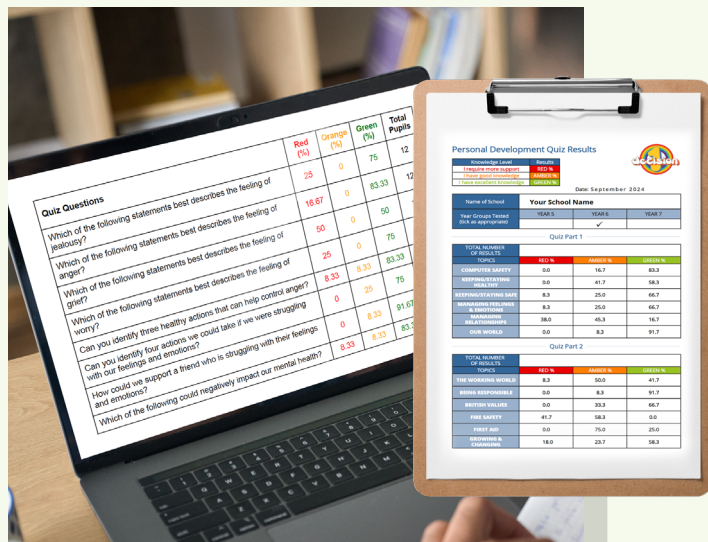

## Pupil Knowledge Tracker

The **Pupil Knowledge Tracker** is a pioneering software designed for primary schools to efficiently assess the knowledge of pupils in Years 5 and 6. It provides clear insights into areas where pupils excel and identifies those requiring further support.

By addressing learning gaps early, schools can ensure pupils are fully prepared for their transition to secondary education.

### Key features include:

- 2 × 25-minute personal development quizzes
- Cohort data for year group comparison
- Detailed question analysis to help inform future lesson planning

## Provision Audit Tool

The **Provision Audit Tool** offers thought-provoking questions designed to help you evaluate your personal development offering within the primary school setting.

The results can be used to celebrate successes and strategically allocate time and resources to areas needing improvement.

### This audit tool assesses the following key areas:

- Leadership and management
- Delivery
- Sex education (if applicable)
- Assessment, monitoring and evaluation
- Actions for next year

**FREE - Sign up today**

**BONUS:**  
PSHE assembly packs included
