

PSHE a 'Curriculum for Life'

Consulting with pupils to improve the quality of PSHE education in Wiltshire

Wiltshire Assembly of Youth (WAY) would like to ensure that young people are consulted about the PSHE education that they receive, to ensure it meets the needs of all pupils

"There is much more to be done by the Government to deliver 'a curriculum for life'. By making PSHE education a statutory entitlement with an expectation that schools will incorporate local issues of key importance to their pupils, we believe that schools would re-prioritise PSHE education and retain the flexibility to meet pupil's needs."

(Young People's Select Committee *Curriculum for Life* report, January 2014)
