

Is good hand washing important within your organisation or business?

Do you work in health or social care, the food industry, a day centre or as a childminder?

Our Glow and Show kits simulate germs and demonstrate how easily germs are spread.

To apply for a kit, register at any of these libraries – Salisbury: 01722 324145, Royal Wootton Bassett: 01793 853249, Trowbridge: 01225 716700.

Application forms are also available at: www.wiltshire.gov.uk/libraries-glow-show-kits
