Making Every Contact Count (MECC) is about making the most of contacts we have with the people we meet every day. MECC is a reflective skills-based training opportunity that encourages a different way of interacting to address health and wellbeing issues.

We are pleased to offer a free online course.

The training will involve:

1 x 3-hour online session

3 x MECC e-learning modules [Making Every Contact Count - e-learning for healthcare \(e-lfh.org.uk\)](http://e-lfh.org.uk)
