

## **YOUNG PIONEER PROFESSIONAL UPDATES**

## YOUNG PIONEER PROFESSIONAL UPDATE - SEPT 2024

### Welcome Back!:

We have been privileged to spend some time with Young People in your settings over the Summer break!

### Collaborative sessions with:

The Devizes Organising Team, Spurgeons, Carers Together, Get Out Get Active, Fuel, Wiltshire Dance and Wiltshire Council has enabled the team to continue to focus on Young Peoples views and voices.

The team will be meeting with our colleagues from WECIL (West of England Centre for Independent Living) later in September too - to find out what works well for our colleagues further west!

### Other work

Young people have an opportunity to get involved in creating an App to create links with community. Ask your Young:

"What is important to have in an Inclusive App?"
