

YOUNG PIONEER UPDATE - SEPTEMBER 2024

Hello Young Pioneers!!

≡ Welcome ≡

We hope you had a good Summer

This is a quick recap on:

- What we do
- How we do it
- What we've been up to over the summer
- What's happening soon!!

WHAT?

What do we do? - We share your voice by working with you about what is important to you in different areas - eg: Education, Health and more, as you get older

How do we do it? - With your voice, with you showing other young people - on social media/video etc at meetings and events - You meet people, or share with people from different services and YOU tell them what's important!

We also access the support of our Young Committee to share views of young people.

Come along to sessions to share your views and chat to the Committee if there are particular things you want to learn more about, or ask them to support you with

Our committee has been supporting YOU - The young people in the community on loads of stuff - including: Politics, Employment, Education and more!

Come and say hi!

JOIN
US!

Important

How?

What we've been up to:

Visits to Young People
activity sessions:
FUEL
GOGA

Get Out
Get Active

Young Pioneer's in the park session
