

Our Single Point of Access is here

Making life easier for people using our services.

What is a Single Point of Access?

The Single Point of Access, commonly known as SPA, is just that! A single contact via telephone, email, address and website for all referrals and questions about the services Virgin Care runs on behalf of the local council and the NHS.

A dedicated team will assist children, young people and their families in ensuring they receive the right help, by the right people at the right time.

To access support from Wiltshire Children's Community Services, contact:
