❖ Give each pupil a copy of the worksheet “Have You Got An Attitude”. Ask the group to complete it on their own. Place 4 pieces of paper on the ground saying Strongly Agree/Agree/Disagree/Strongly Disagree. Read out the statement from the worksheet and ask the pupils to stand by the statement that matches their answer. Invite responses and discussion between pupils standing at different places on the continuum, allowing pupils to change position if they hear anything that causes them to re-think their original response to the statement.

Activity 4
❖ A new bar is planning to open in town. The bar is part of a chain of bars that originated in Australia and are rapidly becoming a popular global brand as a result of a very effective advertising campaign targeting young people with lots of promotional offers:
- Themed nights
- Cheap drinking sessions
- Special sessions for 13-16 year olds
❖ The bar has applied to the council for a license to open in the centre of town. Before the decision is made, the Council has consulted with various groups:
- Police
- Local residents
- Hospital, Accident and Emergency Unit
● Local Council
● Salvation Army
● Local pubs
● Local shops
● Young people

❖ Divide the class into 8 groups. Give each group one of the roles above and ask them to discuss their feelings about the proposed new bar. Each group should come up with 3 main arguments for or against the proposal.

❖ As a whole class, ask each group to read out their 3 main points.

❖ Whole class discussion:
  ● are they surprised by the diversity of view points?
  ● who has the strongest arguments?
  ● do some groups have more influence than others?
  ● what decision do they think the Council will come to?
